Genuine Supplies for the Entrust Artista Cr825™ Instant Issuance System

Ensure Peak Performance

The Artista CR825 Instant Issuance System features proprietary print ribbons and retransfer material specifically designed for the CR825 card printer that features our RFID technology. When the printer recognizes that Entrust genuine supplies are installed, all enhanced product features are enabled and successful card printing can begin.

We engineer superior performance and reliability into every system-matched supply item we offer. For you, this means smooth printing, brilliant image quality, high security, and exceptional performance. Worldwide representation enables a fast, direct connection to the supplies you need, when and where you need them. To ensure you are using Entrust genuine supplies, look for ribbons that feature our distinctive blue cores with the platinum flecks.®

530030-001	Cleaning lapping stick	N/A
529147-001	Printhead cleaning support guide (tool)	N/A

Ensuring the right fit when it comes to card life expectations is critical for financial card issuance programs. The Artista CR825 has a simple solution for increasing card durability that stands up to life's demands. Adding a second layer of retransfer film during printing application is easy with a simple setting change to the card profile manager.

C = Cyan, M = Magenta, Y = Yellow, K = Black, P = Primer, I = Inhibitor

For use with PVC cards and PVC composite cards. Use with polycarbonate or other card types may not be suitable and requires specific card compatibility testing.
